

# dukane | precast - PARKING STRUCTURES

*Another shining star in the Dukane Precast Concrete Systems family of products...*

## Dukane DELIVERS Parking Decks!

Elegant, dramatic, architectural facades. Wider bays and longer spans that deliver increased capacity. A structure designed to blend, not contrast, with the surrounding architecture. That is the Dukane way. Let us DELIVER for YOU!

Dukane Precast are experts in providing solid, attractive parking structures. Our experienced team offers flexible options for saving time and money. All decisions during planning, fabrication and erection are made with durability and longevity in mind. The result is a cost-effective, beautiful parking facility with low maintenance and long life.

Through a variety of aggregates, choice of matrix colors, varying depths of exposure and finishing techniques, precast can meet almost any color, form or texture specified by the designer. Dukane Precast is inherently qualified to provide a nearly endless palette of colors and finishes for your parking structure's exterior. We aren't satisfied unless you are. Are you looking for a parking deck solution? We understand the challenges faced by our customers and we are here to help. **-Give us a call, you'll be glad you did!**
